Exploded view diagram of a mechanical assembly. The diagram shows the following components and their assembly relationships:

- 540153**: A central vertical shaft or rod.
- 540143**: A small cylindrical component that fits onto the top of the central shaft.
- 540427**: A long, thin, curved component that fits onto the side of the central shaft.
- 540426**: A complex bracket or housing component that fits around the central shaft and the curved component.
- 540450**: A long, thin, vertical component that fits into the bottom of the bracket.
- 540056**: A small cylindrical component that fits onto the side of the bracket.
- 540057**: A small cylindrical component that fits onto the side of the bracket.
- 540426**: A complex bracket or housing component that fits around the central shaft and the curved component.
- 540456**: A large, rectangular block or housing that fits around the entire assembly.
